

## Flame Retardant Waste Bins

The Hands-Free flame retardant bin range has been designed for the multi function disposal of waste and are compliant with the new HTM07-01 (Safe Management of Healthcare Waste).

Usage is designated by an appropriate coloured lid and pedal label (where applicable).

- Three sizes 20, 50 and 70 litre capacity
- Hands free operation, foot pedal must be used to open
- Silent - dampened closing lid as standard
- Corrosion resistant galvanised bodies with stainless steel foot pedal
- Sealed base prevents leakages and facilitates easy cleaning
- Integrated wall mounting bracket as standard
- Designed and tested to Healthcare Memorandum (HTM83)
- Elasticated cord hold bags firmly in place while the nylon loop makes changing bags easier
