

VISTA Clinical Trolleys

The Vista Clinical Range has been designed for use in clean and dirty designated areas and washer disinfecting environments. Available with Blue, Green, Clear, Yellow and Red frames with colour co-ordinating trays, allowing you to choose alternative colours for different areas.

- Available in two sizes VISTA 50 and VISTA 40
- VISTA 50 models provide maximum storage while VISTA 40 models fit neatly under a worktop supplied with stainless steel front mounted handle
- Removable trays are supplied with a clear recessed lid
- Trays are easy to clean and resistant to chemicals and hot washing
- Clean and Dirty stickers provided with each trolley
- Standard locking door, combined with secure top, bottom and back panels provide tamper resistance security and retains contents inside
- Tray labels and label covers included
- High quality 100mm castors with front brakes
- Removable top shelf with integrated upstand
- Supplied fully assembled - ready for use
- 2 year guarantee
- See below for castor upgrades and accessories
