

# Medicine Cabinets with Controlled Drug Inner

For extra security situations we have created a range of medicine cabinets which have been combined with a range of controlled drug inners. They are suitable for use in health centres, hospitals, nursing homes, prisons, vets and other health care buildings. The cabinets are supplied fully assembled and ready to bolt to the wall

## Outer Medicine Cabinet

- Conforms to the British Standard (BS2881:1989 Security level 1)
- All single door cabinets supplied with right hand hinge as standard, (left hand hinge optional)
- Adjustable storage trays and shelves provide greater flexibility
- Constructed from 1mm mild sheet steel, hardened hinges and finished with a durable, hygienic white epoxy coating
- Anti-pick locking mechanism as standard

## Warning Light (fitted as standard) Provides:-

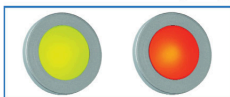

- 12v DC external warning light (outer cabinet only) shows green when closed, red when open and flashes red when left open for 2.5mins
- Nurse call output (volt free contact)
- Optional buzzer alarm activates when cabinet is left open for 5 minutes (only available when bought with warning light)
