

## Dispensary Equipment

We produce and supply fixtures and fittings to private and public healthcare establishments. Materials and finishes are available to meet National Health Service NHS HTM63 Guidelines. Many of our units can also be manufactured to fit the HTM62 Demountable Storage System and HTM71 Materials Management Modular Storage System.

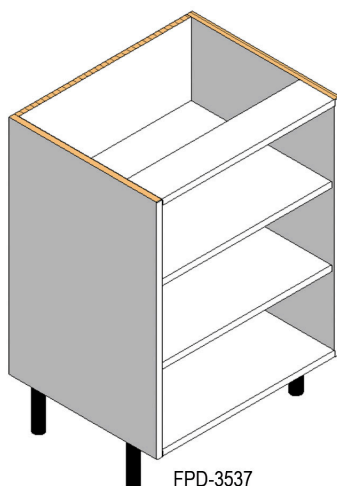

### Low Overbench Units

		Height	Width	Depth
FPD-3567	Low Overbench Unit with 1 Shelf	370mm	618mm	215mm
